- Gretzky is a steady offensive player or a coach
- Every time there is a goal, a change of possession or a groundball:
the ball must be passed to Gretzky before you go on offense or continue offense
Players must move their feet and clear their stick to get the ball to Gretzky
- Once you have passed to Gretzky your team is on Offense

- When you are on **Offense**
- When someone on your team has passed to **Gretzky** your team is on offense
- Off-ball players must either **Pop** or **Cut** to get the ball
- Off ball players must call for the ball with a loud **“One More”** call

- When you are on **Defense**
- The defense can't shut off or cover Gretzky
- Defensive players must play the ball hard (ball pressure) to stop the offense from getting the ball to Gretzky
- Defense must check up quickly to prevent easy dunks

Team Keep Away

- 1) Players (X) with the ball must keep it away from his defender (D)
- 2) X's can move anywhere they want, they just have to stay in between their designated cones
- 2) If the ball hits the ground, the other team can get it
- 3) If the player with the ball is double teamed he has to pass it to an open player that says "ONE MORE"

"ONE MORE" FREEZE TAG

3 players are "IT" and do not have sticks, they have to tag and freeze players

Half of the offensive players have a ball, the other half do not have a ball

If you have a ball you can't get tagged, you can unfreeze players by giving them your ball

If you don't have a ball, you can get tagged

If you get tagged you must freeze

The only way to get unfrozen is to get a ball from a player with a ball

You have to yell "ONE MORE" to get the players with the balls attention

"ONE MORE" call alerts players with the ball to help you and give you a ball to get unfrozen
