Lacrosse Team From Swarthmore Desire to Play Capitals.

Secretary-treasurer W. Foran, of the Capital lacrosse club has received a communication from the Swarthmore College club, of Swarthmore, Pennsylvania, stating that they are contemplating a tour of Canada about the middle of June, and that they would like to arrange games with the Capitals, of Ottawa, the Montreal's and the Toronto's. They suggest June 15 as a date for a game in Ottawa with the Capitals, but as the latter are scheduled to play the Cornwall's here on that occasion, the match with Swarthmore cannot be held then. However, the Capitals are willing to play a week later, on Saturday, June 22nd, or some other open date, and Sec'y Foran has so notified the Swarthmore players. A match may be arranged.
