

## Penn Beaten in Lacrosse Game

SWARTHMORE, March 23 (Special).—Swarthmore and Pennsylvania played a practice game of lacrosse here this afternoon. Several points were played and the line-up of both teams was frequently changed to try out the material.

Swarthmore's score of eleven goals was due rather to Penn's weakness in defense than to especial strength on the part of Swarthmore's attacks. Pennsylvania has excellent material but showed lack of practice. The line-up:
