

Big Blow Out for Swarthmore

SWARTHMORE, May 17 (Special).—The victorious Swarthmore lacrosse team, upon its arrival from the South to-night, was accorded one of the greatest receptions ever given a team here. The victory over John Hopkins on Saturday, which gave the Swarthmore team the intercollegiate lacrosse championship of the United States, has put the quiet little Quaker college in an uproar. The entire student body, headed by the Clifton Band, met the team at the station and after parading the streets of the village assembled in the college hall and a big banquet was served, at which many speeches were made.
