

LALONDE WILL COACH

Well-Known Local Athlete Will Handle Swarthmore Lacrossists

"Newsy" Lalonde, the well known lacrosse and hockey player, left last night for New York, where he will stay over Easter, before going to Swarthmore University to coach the lacrosse team there. He will be away for about two months, but will return in time to play either for one of the local teams or at the Coast should a league materialize there this season.
