

from student has solved that problem for the powers that be.

\* \* \* \* \*

Several of Swarthmore High School's undefeated football team have chosen the colleges which they will enter in the fall but several others, notably Larry Dalton, are still undecided.

Captain Ave Blake will enter Swarthmore College, where his dad is varsity lacrosse coach. Ave is not only a standout tackle on the gridiron but he is possibly an even better lacrosse player.

Art Barraclough will go to Colgate, PMC gets Don Dickinson, Jack Dodd has been accepted for Washington and Lee, and Jack Smith will be at Dickinson. Trackman Gordy Follett is another who hasn't made any definite decision. Milton Helmut, whose placecard drawings were a feature of the Garnet football banquet, will enter art school.
