

GARNET LACROSSE TEAM TRIES BOX

The Swarthmore Indians' box lacrosse team chalked up another win on Tuesday night, by taking the Swarthmore College team by a 4-2 count. The game was played in the Indians' box at Swarthmore, before a large crowd.

Peter, the college ace, started the scoring by slaking one in the first frame, after only 45 seconds of play. Campbell, another collegian, followed his teammate's example by a quick score unassisted.

Ford, of the Indians, was the only one to place a shot into the strings for his team in the first period. The Indians then went wild in the second period, scoring three fast ones, the best being by Ford, following a well-placed assist from Henry Belfield.
