

### Lacrosse at Swarthmore.

Swarthmore College defeated the University of Pennsylvania Wednesday on Whittier Field in a game of lacrosse by the score of 7 to 1. The game was not a good one, as the day was warm and neither team showed any snap and vim in their play. The game was frequently interrupted by time being called, and combined with poor playing afforded little interest to the spectators.

Both the defense and attack played poorly, and in the first half Swarthmore gave the most miserable exhibition of lacrosse played on Whittier Field for some time. Thomas, Maxson and Clinenson did good work for Pennsylvania, while W. Turner, Corson and Richardson excelled for Swarthmore.
