

Swarthmore High Renews Rivalry With Baltimore

Since Swarthmore High School inaugurated lacrosse in their athletic program over five years ago, it progressed to such a high degree that many Garnet lads made college teams and have been singularly successful on the "big time."

Being the only high school team in the State to play the game, Swarthmore has had a most difficult time to arrange a schedule. Intra-mural planning and the playing of college freshmen has been the rule.

Swarthmore plays St. Paul's School, of Baltimore, on Saturday morning at nine on the Swarthmore College field. Last year the little Garnet played St. Paul's School, of Baltimore, a home and home series, losing 6-2 and 9-1. St. Paul's was the city champion of Baltimore for the past few years. Last Saturday,

Swarthmore invaded Baltimore and defeated St. Paul's, 7 to 3.

This afternoon Swarthmore Junior High will play Smedley at Chester.

Coach Bill Ziegenfus, who is responsible for the fostering of lacrosse at Swarthmore, invites high school coaches and students to witness the game on Saturday morning. He is hoping that a county league will be formed in the near future.
