

## SWARTHMORE LACROSSE TEAM TO GO ON TOUR

The Swarthmore College Lacrosse team, which made quite a record has decided to keep together during the summer and make a tour of the eastern part of the country. After a short time at their respective homes, the members will congregate in Philadelphia next Tuesday, and play their first game as a traveling team with the Oxford-Cambridge aggregation, of England, now touring this country. The game will be played at Manheim, Philadelphia. The Swarthmore boys will then make a trip north, eventually reaching Toronto, where they will play the team of that place, which defeated them by a close score on Franklin Field shortly before the close of the college for vacation.
