

### Swarthmore Lacrosse Team Showed Unexpected Strength and Speed.

Stevens Institute lacrosse team was badly beaten yesterday by Swarthmore at the St. eGorge cricket grounds. The final score was 6 goals to 3. The Hoboken students felt confident of victory all along and their defeat was a great surprise. The visitors showed a most unexpected strength and played a fast, furious game throughout. It was a pretty contest and the greta crowd of students that was on hand in colors and in fine voice cheered the teams to the echo. Stevens was weakened by the absence of three of its best players, and therein Swarthmore had a decided advantage. The game went rather slowly until Stevens scored the first goal, and then both sides played a brilliant game. Swarthmore showed more speed than Stevens, and in quick succession had five goals scored before the first period ended. In the second period Stevens made two goals and Swarthmore one. The summary:—
